Sophisticated design and masterful execution.

GAUDIA Exclusive is the answer to the needs of demanding customers who value unconventionally designed, top-quality products. Exclusive mirror collections fit the current trends with their charming, functional accessories and extraordinary attention to detail. This exclusive line of selected GAUDIA mirrors is supplied to the best bathroom stores in Europe and other countries in Europe. GAUDIA manufacturing, advanced technological process and improved quality control guarantee top quality of products, which will make any interior more stylish. GAUDIA Exclusive mirrors are examples of sophisticated, elegant design that delivers a whole new dimension of comfort

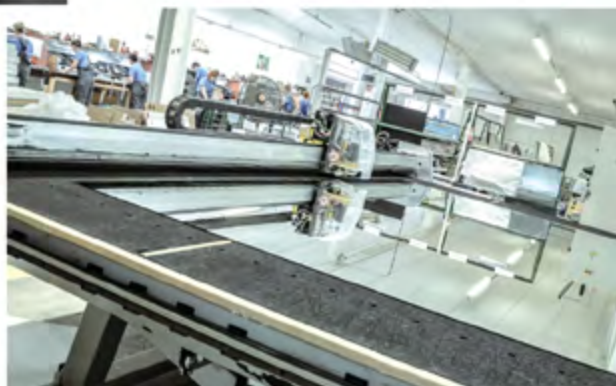

One of our priorities is continuous development of the products we offer. All innovations begin with an idea that is elaborated on by our R&D department. Using cutting-edge technologies and top-quality products, GAUDIA's R&D department creates concepts and designs that subsequently undergo a testing phase before being finally implemented in manufacturing. We continuously try to improve our products in order to guarantee the quality our customers expect. Innovation and flexible approach to customers' needs are the driving force behind our success.

MIRROR LINE NORDIC

The essence of Scandinavian style

The Nordic line offers mirrors designed in line with the principles of Scandinavian style, characterised by minimalism, simplicity and functionality. Wooden decorative elements, which give interiors a warm, cosy character, symbolise a strong connection with nature.

Nordic mirrors are a functional addition to a living room, hall or bathroom. Everyone will find something suitable for their needs, thanks to diverse patterns, arrangements of multi-colour sheets, and different frame sizes and colours.

Modern design

The Scandinavian Kids Line also includes models designed for youngsters. They will enjoy the patterns with houses and animals. We care for the smallest detail, which is why GAUDIA mirrors offer delightful quality. Sizes available: **55×100, 55×120, 60×140 cm.**

NEUTRAL TRUE-LIGHT™ COLOUR

The colour-rendering index determines how well (how naturally) the colours of objects are rendered. For the human eye, higher light CRI means more comfortable image reception. The photograph below perfectly illustrates the difference using the example of an object illuminated with light sources of different quality.

CRI = 51

CRI = 70

CRI = 80

HIGH COLOR RENDERING INDEX

COLOUR COOL WHITE

~ 6000 K

NEUTRAL TRUE-LIGHT™ COLOUR

~ 4000 K

COLOUR WARM WHITE

~ 2835 K - 3000 K

The Calbera LED bathroom mirror has an incredibly subtle, futuristic design. The rectangular, meticulously polished pane with rounded edges is illuminated with a double LED line, spanning the entire circumference of the mirror.

CALBERA

LED illumination, IP44, **53 x 63, 50 x 70, 80 x 60, 100 x 63, 120 x 65 cm**

TORINO
LED illumination, IP44, **53 x 63, 60 x 60, 80 x 60, 100 x 63, 120 x 65 cm**

ADARA

SLOPING CEILING MIRRORS

IPANEMA
LED illumination, any size in cm, IP44

SLOPING CEILING MIRRORS SERIES

Elegant, consistent look

The sloping ceiling mirror is a solution for arranging difficult attic spaces. The option of configuration to every 5 mm of the height of the sides and the width of the bottom and top edge allows you to create an LED mirror to the specific size. Your loft bathroom will thus gain an elegant, consistent look. By installing a large mirror surface you will optically enlarge the space and give it a unique look.

The use of modern, strong LED strips and an innovative design guarantees the optimal illumination, which will allow you to perform perfect make-up and other care treatments. The sloping ceiling mirrors were created from the highest quality Belgian mirror panes characterised by exceptional transparency. The reflection in the mirror will be very clear. If you additionally choose a heating mat, you will ensure a clean surface even in a bathroom full of steam. The use of energy-saving, powerful LED lighting allows the light to be evenly distributed over the person standing in front of it.
